

NICOMATIC

Advantages (2023/04/02 11:12:26am)

NICOMATIC is proposing you a simple to use & quick interface:

- Private space with a secure access with your login (e-mail address) and password
- Unrestricted access to all Nicomatic online services
- Follow up and management of all your inquiries (2D, 3D drawings in STEP, IGES, 3D PDF or PARASOLID ACIS formats, quotes, samples...): 2D drawings (when not available in direct download) in less than 72 hours, [CMM](#) 3Ds generated in less than 2mn...
- Use of an interactive interface including an easy selection of NICOMATIC references in a basket as on all e-commerce sites
- Full use of all automatic part number builders & configurators, with extended ability to modify, register and delete
