Nicomatic North America is Expanding their Sales Force (2021/09/25 04:57:13am)

Q2 2018: Employee News

[Jonathan Mahler](#) joins Nicomatic North America with over 15 years of managerial experience and a strong customer-first mentality. Jonathan brings with him expertise in Production Operations, **Lean Initiatives**, Transportation, and Warehouse Operations and has taken over the role of Operations & Quality Manager since March of 2018.

Jonathan earned his **Bachelor of Business Management from Rider University** and currently resides, in Lawrenceville, New Jersey with his wife and newborn baby girl.

Nicomatic North America would like to introduce our new employee [Dennis Griffin](#). He joined us in the role of Regional Sales Manager. Staying close to customers, Dennis is conveniently located in Ocoee, Florida, he will be covering Florida and the surrounding states effectively April 23rd, 2018.

Previously working for such companies as **Sager Electronics and Avnet**, Dennis brings with him more than 25 years of direct sales for electronic components and has a tremendous amount of experience within military markets.

[John Seibert](#) has been promoted to a **Key Account Manager** for the **East Coast of the United States of America**. John will provide mentorship to other Regional Sales Managers on the East Coast while focusing his time and energy towards developing key accounts like Lockheed Martin and Raytheon.

John has been in the connector industry for 37 years and has spent the last 8 years with Nicomatic. Previously working for companies such as **DEUTSCH** and **TE Connectivity**.

Q1 2018: Employee News

Nicomatic North America would like to introduce our new employee Trey Wilson. He joined us in the role of Regional Sales Manager. Staying close to customers, Trey is conveniently located in Los Angeles, California he will be covering the West Coast of the United States effective December 19, 2017.

Previously working for such companies as **DEUTSCH, Molex,** and **TE Connectivity,** Trey brings with him more than 20 years of direct sales for electronic components and has a tremendous amount of experience within medical and military markets. While serving in the **United States Air Force** Trey attended the Community College of USAF where he majored in Electro-Mechanics.
